Graduation Requirements

To graduate from The Leelanau School, students are required to successfully earn a minimum of 42 semester credits. In addition to the 42 semester credits students are required to take 2 semester credits during the Winter Term for each year attending The Leelanau School. (2 semester Credits = 1 Carnegie Unit)

Distribution of Requirements

English	8 Semester Credits	Science	6 Semester Credits of Lab Sciences
History	6 Semester Credits, 2 of which must be US History	Mathematics	6 Semester Credits which must include Algebra 2
World Languages	4 Semester Credits	Fine Arts	4 Semester Credits
Physical Education	Participation required in 5 afternoon activity sessions per year	Senior Seminar	1 Semester Credit
Government	1 Semester Credit	Electives	6 Semester Credits

In order to be eligible for a semester credit, a course must be at or above the college preparatory level.

Please note: Competitive colleges suggest that students complete 4 years of English, History, and Math as well as completing 3 years of Lab Sciences and Foreign Language.
